

Chris Meaker

HELPING CUSTOMERS IMPROVE
THEIR FINANCIAL POSITION....

ABOUT CHRIS MEAKER

Chris has over twenty years experience working within both the UK and Australian financial markets.

He has a wealth of lender experience working at Pepper Money heading up the Victoria and Tasmania teams and prior to that at Macquarie Bank specialising in home loans.

As a passionate and driven individual, Chris decided to embark on a new challenge building a new business as a mortgage broker helping customers improve their financial position.

Renowned for offering first class service, Chris has a strong commitment of working with customers to help them fulfil their financial goals.

QUALIFICATIONS

Diploma of Finance & Mortgage
Broking Management

Certificate IV in Finance & Mortgage
Broking

ABOUT IMPROVE FINANCE

Improve Finance was founded on the belief that every customer should be given the most appropriate advice when taking out a home loan.

With access to multiple lenders, rates and products our highly customised lending solution can help customers improve their financial position.

We pride ourselves on the customer service we provide to help our clients achieve their goals. Whether it's purchasing their first property or refinancing a home loan, Improve Finance will dedicate their time, experience and energy to provide an appropriate lending solution.
